Re: Request to Inspect Public Records

Dear Lucy Parsons Lab:

On November 21, 2019, we received your request (which is attached) to inspect certain records.

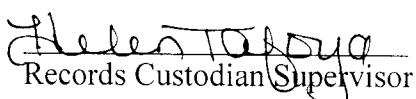

X We need additional time to respond, until December 6, 2019.

 Your request is vague and we need additional information to process your request. The additional information needed is: (List what you need – parties, case numbers, dates, etc.)

 After our initial review, we are unable to locate the records and need additional time.

 The items you requested may be located off-site and we need additional time to retrieve these records.

Sincerely,

Helen Tolosa
Records Custodian Supervisor
